Out of the box- 18 Activities:

1. Exploration

Touch the Cosmoid to instantly play your favourite music and release your touch to stop the music.

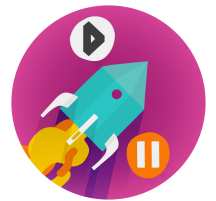

Skills Area: Cause-and-Effect, Sensory Integration, Music

2. Toggle

Easily play and pause the music track by simply pressing the Cosmoid.

Skill Area: Cause-and-Effect, Sensory Integration, Music

3. Fireworks

Press the Cosmoid to witness a spectacular display of fireworks accompanied by captivating sounds.

Skills Area: Cause-and-Effect, Sensory Integration

4. Improvisation

Create a music composition by pressing each Cosmoid with individual music notes.

Incorporate music from iTunes, Spotify Premium, Apple Music, or instruments from GarageBand.

Skills Area: Auditory and Visual Discrimination, Motor Co-ordination, Creativity.

5. My Orchestra

Touch the Cosmooids to toggle various instrumental loops. Experiment with different combinations and create your very own mini orchestra.

Skills Area: Auditory Discrimination, Following Instructions, Creativity

6. My Voice

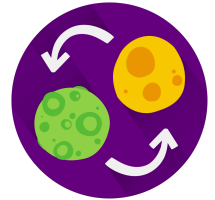

Use the iPad microphone to record your voice or any other sounds. Touch the Cosmoids to playback your recordings through engaging sound effects.

Skills Area: Vocalisation, Cause-and-Effect, Creativity

7. Turn Taking

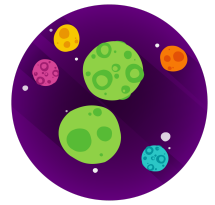

Each Cosmoid triggers a part of the music track and illuminates the next Cosmoid. To keep the melody flowing, press the Cosmoids within the given time.

Skills Area: Turn-taking, Collaboration, Music

8. Colour Matching

Find two Cosmoids with the same colour. Press them simultaneously to match and earn a point.

Skills Area: Visual Discrimination, Problem-solving, Joint Attention, Language

9. All the Same

Press the Cosmoids one by one until they all illuminate in the same colour. Skills Area: Visual Discrimination, Sequencing, Problem-solving

10. All Different

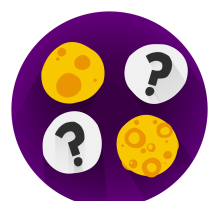

Press the Cosmoids one by one until they all illuminate in a different colour. Skills Area: Visual Discrimination, Sequencing, Problem-solving

11. Copy Me

Observe the colour sequence on the Cosmoids and replicate it to unlock an exciting audio-visual reward.

Skills Area: Memory, Sequencing, Visuo-motor Co-ordination

12. Whac-a-mole

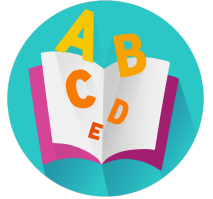

Press the Cosmoid that lights up in your chosen target colour before it changes to a distracting colour.

Skills Area: Reaction Time, Visual Discrimination, Attention, Visuomotor Co-ordination

13. Storytelling

Read through the story and press the illuminated Cosmoid to experience a sensory sound that complements the narrative.

Skills Area: Sensory Integration, Storytelling, Language, Joint Attention, Turn-Taking

14. Video Storytelling

Watch a YouTube video that pauses at various time intervals. Resume the video with the luminous Cosmoids.

Skills Area: Visuomotor Co-ordination, Turn-taking, Attention

15. Exercise

Distribute the Cosmoids across the play area and swiftly press them as they illuminate to earn points before time runs out.

Skills Area: Joint Attention, Reaction Time, Motor Co-ordination, Spatial Awareness

16. Showdown

Form two teams and choose your team colour. Press the respective coloured Cosmoids to collect points before time runs out.

Skills Area: Joint Attention, Motor Co-ordination, Spatial Awareness, Collaboration

17. TapDash

Press the Cosmoid with the same colour as the descending shape before it touches the long block.

Skills Area: Colour Discrimination, Attention, Reaction Time, Visuomotor Co-ordination.

18. Cosmonaut

Navigate the Cosmonaut through space, collecting stars and avoiding obstacles by altering the force on the Cosmoid.

Skills Area: Fine Motor, Attention

Premium Activities:

1. Sampler

Record your voice or import your favorite sounds from iTunes and bring them to life with a simple touch of the Cosmoids.

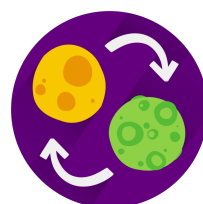

Skills Area: Vocalisation, Language, Creativity

2. Team Alertness

Each Cosmoid triggers a part of the music track and illuminates the next Cosmoid. To keep the melody flowing, press the Cosmoids within the given time.

Skills Area: Turn-taking, Waiting Skills, Collaboration, Music

3. Coloured Shapes

Read the question based on shapes and colours on the screen. Identify the correct colour option for each question and press the Cosmoid of the same colour.

Skills Area: Visual Discrimination, Reaction Time, Attention, Early Math

4. N-Back

Press the Cosmoid when the current colour matches the colour presented 1, 2, or 3 steps earlier in the sequence.

Skills Area: Memory, Visuomotor Co-ordination, Attention, Reaction Time

5. CosmoTube

Create personalised YouTube playlists. Use designated Cosmoids to play, pause, and select the next video in the playlist.

Skills Area: Independent Play, Switch Control

Form two teams and choose your team colour. Press two Cosmoids of your team colour to earn a point.

Skills Area: Collaboration, Attention, Colour Discrimination, Spatial Awareness, Motor Co-ordination

7. Compete

Form two teams and choose your team colour. Press the respective coloured Cosmoids before time runs out. Each successful hit changes the colour of all Cosmoids.

Skills Area: Motor Co-ordination, Joint Attention, Reaction Time

8. Team Sprint

Two teams press the respective Cosmoids as per the colour and number specified on the screen. Reach the target score first to win.

Skills Area: Motor Co-ordination, Visual Discrimination, Collaboration, Reaction Time, Attention.

9. Flying Comets

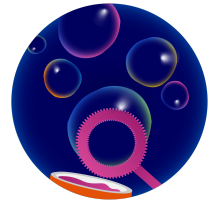

Use four Cosmoids to move your Cosmonaut up, down, left, and right to collect the coins and avoid comets.

Skills Area: Motor Co-ordination, Joint Attention

10. Bubbles

Press the Cosmoid to pop and count bubbles and enjoy the engaging sound and vibrant colours.

Skills Area: Cause-and-Effect, Sensory Integration, Numeracy.

11. Winter Wonder

Press any one of the Cosmoids to experience an enchanting audio-visual element capturing the essence of a winter season

Skills Area: Cause-and-Effect, Sensory Integration, Language

12. Find IT

Observe each pattern and identify the Cosmoids that stand out in different colours from the rest.

Skills Area: Visual Discrimination, Visuomotor Co-ordination, Attention.

13. Fish Tank

With each press of the Cosmoid witness a different type of fish swim across the screen accompanied by captivating sounds.

Skills Area: Cause-and-Effect, Sensory Integration, Language

14. Rainy Day

Press any one of the Cosmoids to experience an enchanting audio-visual element capturing the essence of a rainy day.

Skills Area: Cause-and-Effect, Sensory Integration, Language

15. Count With Me

Count the number of objects on the screen. Select the corresponding number from a set of Cosmoids.

Skills Area: Numeracy, Sequencing, Attention

16. Missing Numbers

Observe the number sequence and evaluate the missing number from the three options. Press the corresponding Cosmoid to select the correct choice.

Skills Area: Numeracy, Sequencing, Attention

17. Shuffle

Colours shuffle back and forth from the 1st Cosmoid to any other Cosmoid. Reach out and press the illuminated Cosmoids to earn points.

Skills Area: Attention, Reaction Time, Motor Co-ordination

18. Sequence

Reach out and press the illuminated Cosmoid as fast as you can. Track and compare sessions.

Skills Area: Reaction Time, Motor Co-ordination.
